

Gallipolis Lutheran Mission

Confessional Lutheran worship in Gallia County, Ohio (LCMS)

Presented by the Appalachian Lutheran League

First service: Monday, August 10, 2026, 6:00 PM

A preaching station is a regular gathering for Word and Sacrament.

It is the first step toward a full congregation.

Gallipolis has no confessional Lutheran church.

Families there drive an hour or more to worship.

We are starting something closer to home.

What it costs each month
